

DRINKS MENU

Rustlers... More than 'just' a steakhouse!

With a strong ethos around buying local, we have tried to structure our wine list to show a broad spectrum of the region and the varieties it has to offer. So the only wines you will find on our list are from the wineries from the Great Southern. We also showcase a winery every month - which is located on the last page of the drinks menu. We also, where possible provide a selection of spirits also located within the Great Southern Region.
